

noon Credits and Gift Vouchers

Gift vouchers allow you to add a fixed value to your noon Credits balance, which you can use to pay for orders across the platform. You can redeem a voucher directly from the email you received or by entering the code manually in your account.

Redeeming Gift Voucher From Email

Create a noon account or log in to your existing account.

Open the voucher email and select **Redeem Now**.

You will be taken to the credits redemption page, and the voucher amount will be added to your noon Credits balance.

Redeeming Gift Voucher Manually

Log in to your noon account.

Go to **Account > noon Credits**.

Enter your 16-digit gift card number and 4-digit PIN or voucher code, then click **Redeem** to add the amount to your balance.
