

How can I create a noon account?

A noon account allows you to place orders, track shipments, manage returns, and access exclusive features such as noon Credits. Creating an account is quick.

- Open the noon website or app and navigate to the **Sign Up** page.
- Enter your **email ID**, and an OTP will be sent to that email ID
- Enter the **OTP** and click "**Log in**" to complete registration.

Your account will be created instantly, and you can start shopping right away.
