

How to Redeem a noon Gift Card

You can redeem a noon Gift Card in just a few simple steps.

- Log in or create an account on www.noon.com or the noon app.
- Go to Account and select noon Credits.
- Enter the 16-digit Gift Card Number and 4-digit PIN, then click Redeem Gift Card.
- The redeemed amount will instantly appear in your noon Credits balance.

Your credits can be viewed under **Account** > **noon Credits** or during checkout.

Usage:

- noon Credits from Gift Cards are automatically applied to eligible purchases at checkout.
- If your order total exceeds your available credits, you can pay the remaining balance using a credit/debit card.
- You can redeem multiple Gift Cards, and all balances can be combined into one noon Credits wallet.
