

Discounts & Coupon Codes

How to Apply a Coupon Code

- On the cart page, enter your coupon code in the field provided and click '**Apply**'.
 - If the code is valid, your order summary will update to show the discount.
 - Click '**Secure Checkout**' to continue.
-

Coupon Rules

- A unique coupon or discount can be used only once per phone number.
 - You can apply only one coupon or discount per order.
 - Auto-discounts may appear in your cart when you meet the criteria.
-

Bank Discounts

Eligible bank discounts are applied automatically when the criteria are met. These appear at checkout, as they are linked to your card details.
