

How to Return an Item?

noon allows you to return eligible items within 15 days of delivery, as long as they fall under returnable categories and meet the standard return conditions. Once an order has been shipped and delivered, you can easily file a return through your noon account.

How to Submit a Return Request

1. Go to '**Account**'.
2. Select '**Returns**', then click '**File a New Return**'.
3. Choose the item(s) you want to return.
4. Select the most suitable '**return reason**'.
5. Confirm your pickup location and '**submit**' the request.
6. A pickup will be arranged, and your item will be inspected once received.

If you need assistance, contact our [customer support](#) team.

Return Conditions

To be eligible for a return, the item must generally be:

- Unused
- In its original packaging
- Including all tags, accessories, and any materials provided by the manufacturer
- Some categories have specific return rules, and certain items cannot be returned for hygiene, safety, or regulatory reasons.

To view the full list of returnable and non-returnable product categories, please refer to the [Terms of Sale](#) and [Return Policy](#).
