
Transferring Your noon Credits to Your Bank Account

You can transfer eligible noon credits earned from returns or warranty refunds directly to your bank account. Credits issued from gift cards or goodwill adjustments are not transferable and can only be used for purchases on noon.

Eligibility and Transfer Limits

- **Minimum transferable amount:** EGP 200
- **Maximum per request:** EGP 10,000
- **Request frequency:** Once every 15 days
- **Eligible credits:** Refund credits only
- **Not eligible:** Gift voucher credits and goodwill credits
- **Available on:** Web and Mobile Web

If the Transfer Credits button appears as Insufficient Balance, the credits in your wallet are not eligible for withdrawal.

How to Transfer Your Credits

1. Go to **Account > noon Credits**.
2. Click **Withdraw** to initiate the transfer.
3. Enter or select your bank account details and '**submit**' the request.
4. Enter the OTP sent to your registered phone number.
5. Check your email and '**confirm**' the request within 1 hour. If the email expires, the request will need to be resubmitted.
6. The transfer amount is deducted from your wallet, and processing begins.
7. The funds are transferred to your bank within 5–7 business days, depending on bank policy.

If you already have a pending request, you'll need to wait until it is completed before submitting another.

Transfer Statuses Meaning
